

Prayer for Haiti

PAGE |

I take a moment to Breathe,
I Breathe in Love,
I Breathe out Love,
I awaken the Presence of Love within me now.

May my words be a prayer of Love to all people in Haiti
in alignment with their Highest Good.

Great Mother–Father Creator, you who lives within each of us & within all of life.

I Pray to you now and ask that you hear my prayer and feel my love.

I ask that you send this prayer, this love & support to all people affected by the Earthquake in Haiti, to all people assisting on the ground in Haiti & to all people organizing & coordinating the relief & recovery of Haiti & her peoples.

May these words & intentions make a difference to all those affected in Haiti.

I Pray now for the swift & peaceful distribution of food, fresh clean water, medical supplies, medical aid & assistance to all those affected, both in Port-au-prince and in all surrounding areas.

I Intend that the pathways are now clear and free for all that is needed to be distributed peacefully, effectively & swiftly to all people and areas.

I Pray that all world leaders & aid organizations work together harmoniously to assist those affected in Haiti. May the systems be put into place to assist those in need and to rebuild Port-au-Prince & all affected areas in alignment with the Highest Good of the people of Haiti.

I Pray that all people in Haiti now have fresh clean drinking water, good quality food, safe shelter and medical aid & support. I pray that Peace fills their hearts and all those affected now work together peacefully to assist and support each other & assist those coming in to deliver supplies & aid.
