

Prayer for Haiti

PAGE 2

I Pray that all those affected now have compassionate support & guidance to help them recover & heal both physically, emotionally, mentally & spiritually.

I take a moment to honor those who have passed their physical bodies.

May their transition be simple and peaceful.

May they be held in the arms of Love; held in the arms of Mother–Father Creator and may all those who grieve their passing find healing & peace.

In this moment I recognize that I play a part in assisting all those in Haiti, that my Prayers, Intentions, Visualizations and Actions make a difference.

Great Mother–Father Creator I ask that you assist all those affected in Haiti, and all those who are being called to support those in need.

I dedicate this moment and this Prayer to the people of Haiti.

May they receive these intentions and know they are not alone, that you and I are with them in Heart & Spirit and support is on its way.

Bless the peoples of Haiti, Bless the land of Haiti,
Bless the water of Haiti, Bless the animals of Haiti.

Bless all of life in Haiti.

Bless the healing & recovery of Haiti & her peoples.

I take a moment to Breathe,

I Breathe in Love,

I Breathe out Love,

I send this Love to my Sisters and Brothers of Haiti.

We are One People, We are One World. We Are ONE.

SO BE IT
